

# Been Wishing On

## Big D and the Kids Table

Been wishing on Been holding on  
Been waiting for you girl, Oh no am I too late?W didn't know that we were in love  
Is it too late?  
'Cause now we knowI remember when we used to stay up so late yeah  
I remember when we used to complain about love  
I didn't know it then I couldn't see it then  
But how I know you now, yes  
How clear I see you now, See you now  
Blind yeah blind, how silly we've been, so  
Blind yeah blind, how silly we've beenToo young to see how we connect  
Too young to see we're two best friends  
Too young to be brave enough to say by you I'll forever standBeen wishing on. Been holding on.  
Been waiting for you boy. Oh no you're not too late.I remember when you broke with the boy from Gipsy Hill  
yeah  
I remember how terribly ill you felt  
I held you then. Told you, yes you'd find a man.  
Now I am desperately trying just to be that man, Be your manWait  
Don't wait  
Now, I have traveled this world around  
But by your side is the only home I've found.  
I see and truly need to feel your strength in this world of beauty.  
Now, would you ever come search for me  
could we refresh our love's longevity?  
It's our endless legacy.
