Six Days on the Road

Taj Mahal

Well I pulled out of Pittsburgh,
I'm rolling down the eastern sea board
I got my diesel wound up,
and she's running like never did before
There's a speed zone ahead on my right,
but I don't see a cop in sight
Six days on the road and I got to see my baby tonightI've got ten forward gears,
and a sweet Georgia overdrive
I'm taking little white pills
and my eyes are open wide
I just passed a Jimmy in white,
I've been passing everything in sight
Six days on the road and I gotta see my baby tonightIt seems like a month since
I kissed my baby bye bye
I gotta lot of woman but
I'm not like some other guy
Got my air holes running clear
Baby you want to watch the way I shift my gear
Six days on the road and I got to see my baby tonightThe ICC are checking on down the line,
I'm a little over weight
And my log book is way behind,
but nothing bothers soul at tonight
Just I can dodge them scales alright
Six days on the road and I got to see my baby tonightWell my rig's a little old,
but that don't mean that she's slow
There a foot flame coming from her smoke stack,
blowing smoke as black as coal
My home town comin' in sight,
if you think I'm happy, baby you're right
Six days on the road and I'm gonna make it home tonightYeah, it seems like a year since
I kissed my baby bye bye,
I can have a lot of chicks but
I'm not like some other guys
Yes, I can find one to hold me tight,
but you know it wouldn't be alright
Six days on the road and I'm gonna make it home tonightI pulled out of Pittsburgh,
rolling down the eastern sea board
I got my rig wound up,
and she's running like never before

There's a speed zone ahead on my right,
but I can dodge the law all night
Six days on the road and I'm gonna make it home tonight
Six days on the road and I gotta see my baby tonight
