Everyone Was There

Underlined Passages

Hey/try to figure out/what you meant/when you said/minds are beautiful
Youâ€™re/not the only one/who believes/that this/is wonderful

(Chorus)
Everyone was there
Everyone was there
Everyone was in your faded photograph

Try/try to understand/that your heart/is what/everyone will see
You/are the only one/who can feel/who can feel/what this really means

Chorus x2

Hey/try to figure out/that your heart/that your heart/is so beautiful
