Fighting

Divinyls

I'm shattered to pieces there's a pounding in my chest
But there's no time to sit down and take a rest
I'm losing my resistance and I'm coming after you
I'm losing my resistance and I'm coming after you
After you - you, you, you , youThis time I gotta cause worth fighting for
Well, you know, this time
I gotta cause worth fighting forMy blood is boiling my fever is high
But I'm going to give it one more try
I'm losing my complacency and I'm coming after you
I'm losing my complacency
And I'm coming after you, after you
You, you, you, youThis time I gotta cause worth fighting for
Well, you know, this time
I gotta cause worth fighting forGotta stick to the fight when you're hardest hit
Is when things hurt the most that you must not quit
I'm losing my resistance and I'm coming after you
After youThis time I gotta cause worth fighting for
Well, you know, this time
I gotta cause worth fighting for
