

# This Is Where I Came In

## Bee Gees

I've seen the story  
I've read it over once or twice  
I said that you say  
A little bit of bad advice  
I've been in trouble  
Happened to me all of my life  
I've lied and you lie  
And who would get the sharpest knife You know I couldn't be somebody like that  
I'm not the kind of man to throw his hat  
Into the ring and  
Go down without following through  
The day turns into night  
Go down following through  
The day turns into night Oh, oh, oh,  
This is just where I came in Hope rides on  
But I'll go anywhere  
Yes, I'll go anywhere with you  
Time has gone  
But I'll go anywhere  
Yes, I'll go anywhere with you This is the danger zone  
This is where I came in  
They know not what they do  
Forgive them all their sins  
They know they cannot take away  
What you have given me Oh, oh, oh,  
This is just where I came in Fade into color  
Color into black and white  
Under the bedclothes  
Everything will be alright  
I know that you know  
Nothing ever stays the same  
Said so, I said so  
The love will never speak its name Never gonna find somebody like you  
Beauty with a brain and a body too  
I could never make a move on a woman that leads me on  
She's got a little bit of something for everyone  
It's a little too late and the wolf is on the run Hope rides on  
But I'll go anywhere  
Yes, I'll go anywhere with you

Time has gone  
But I'll go anywhere  
Yes, I'll go anywhere with you I always told myself  
I would regret this day  
That I would fall apart  
And watch you walk away  
That you would cry out loud  
And I would stand aside Oh, oh, oh,  
This is just where I came in I can't lie  
But I'll go anywhere  
Yes, I'll go anywhere with you This is the danger zone  
This is where I came in  
They know not what they do  
Forgive them of their sins  
They know they cannot take away  
What you have given me Oh, oh, oh,  
This is just where I came in  
Oh, oh, oh
