

Sweet Goodbyes

[Krezip](#)

Can't sleep, cause everything's changing
You don't want to leave things behind
Can't breath, cause to many things
Going on, going wrong in your lifeTears in your eyes
Sweet goodbyesI know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tightGet you through the night
I'll get you through the nightWake up, the sun's shining bright
Let's go out of bed, into the light
Shape up, we won't forget
Still there's lot's of love left to hold tightTears in your eyes
Sweet goodbyesI know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tight.Get you through the nightEverything of love between us,
will get us trough the night
All the things we've lost will teach us,
see the pretty things in life
All the places that we've been to
The people we relate to
All the love that we give in toBlow the tears from our Eyes
Sweet goodbyesI know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tightI know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tight.I'll get you through the night
