Clicklesley (Long Version)

Liquido

l don't know
what seers have said
but fate was queer
and times we had
Our big mistake was incomplete
so pure and sweet
We had to break
our ties in two
l could not say l want you
l do recall what she has said now
what she has said to me now: l SAID l SAID l NOW
IT'S CLICKLESLEY CALLING
IT'S CLICKLESLEY CALLING
THE SWEETEST SOUND IN TOWN
THE SWEETEST SOUND /I don't know
what time will come
l might be late
though l will run
It is far and still a maze
the wish we chase
Our little world
too small to breathe
was like a stone
with us beneath
But don't regret. the time we had
the time we have - we have now: l SAID l SAID l NOW
IT'S CLICKLESLEY CALLING
IT'S-CLICKLESLEY CALLING-. IT'S The SWEETEST SOUND IN TOWN
THE-SWEETCST SOUND - it's not for the cause
it's not for the fiction
it's not for the cause
it's not for the fiction
l can't say what's to say now - no l can't say now
