Northern Lights

Cider Sky

Everytime I close my eyes I can touch the colors around me
Suddenly I realize everything I thought was impossible... is here
And my heart sings in a world so incredible
And everything burns much brighter

I, I wanna fly-y into this beautiful life
I think it'd be nice with you
I wanna fly-y into this beautiful life
I think it'd be nice withÂ you
With you-u-u
With you
With you-u-u

Fingertips, northern lights
Dressing colors right through the sky
Underneath, a lullaby,
I never felt as bliss for as I do... here
And my heart sings in a world so incredible
And everything shines much brighter

I, I wanna fly-y into this beautiful life
I think it'd be nice with you
I wanna fly-y into this beautiful life
I think it'd be nice withÂ you
With you-u-u
With you
With you-u-u

Set the night on five if you want to
Hanging out with the stars and the big moon
A "very well, thank you, how do you do?"
Set the night on five if you want to
Hanging out with the stars and the big moon
Burning down for a dance with your last suit
I think it'd be nice withÂ you
You
I think It'd be nice withÂ
WithÂ you
WithÂ you
I think it'd be nice withÂ

You
You
I think it'd be nice withÂ
WithÂ you
WithÂ you
