

Time to Get Down

The O'Jays

Yeah yeah, yeah

Mmmmm

Yeah

Mmm-mmm-mmm

YeahHey, why don't you just stop trying to be so cool
And let me know the lowdown of how you feel about things?

Oh, you ain't doing nothing but jive, baby

And we've got a very serious problem, yeah

Yeaaa-aaahCome on, baby

(It's time to get down, down, yeah)

It's time for you to stop playing with my feelings, girl

Come on, girl, you know it damn well, baby

(It's time to get down, down, yeah)Oh, if there's nothing else, you can make up your mind right away

And it seems like to me you're trying your best to delay

Can't you see I wanna love you?

As long as you want it, baby

As long as you need it, babyOh, baby, baby, believe me when I tell you every word I say is true (Believe me,
yeah)

Cause, honey, I adore you (Adore you, adore you)

And all this time we've been wasting, baby

Is only a game for fools

Yeaaa-aaahCome on, baby

(It's time to get down, down, yeah)

It's time for you to stop trying to be so cool, oh mama

Come on, girl

(It's time to get down, down, yeah)Oh, if you would only stop, mama, stop all that stumbling that you're doing

And come on, come on in, and give me all the things I need

Can't you see I wanna love you?

As long as you want it, baby

As long as you need it, babyOh, baby, baby, baby, it's time to get down, girl (Oh, baby)

Come on

(It's time to get down, yeah)

Yeaaa-aaah

It's time for you to stop playing with my feelings, girl (Oooh, oooh)

Come on, come on, girl(It's time to get down, yeah)

Ooo-oooh

Come on, baby (Ooooh, oooh)

(It's time to get down, yeah)

As long as you want it, baby

(Ooooh, oooh)
As long as you need it, girl
(It's time to get down, yeah)
Come on, come on, girl
Ooo-oooh
(Oooh, oooh)
Yeah, yeaaaah, yeah
(It's time to get down, yeah)
It's time for you to put your arms around me (Oooh, oooh)
Lord, bless the day you found me, girl
(It's time to get down, yeah)
Come on, girl
Yeaaa-aaah
