

Shining Star

Manhattans

Ooh yeah Honey you are my shining star
Don't you go away, oh baby
Wanna be right here where you are
Till my dying day, yeah baby So many have tried tried to find
A love like yours and mine
Girl don't you realize how you hypnotize
Make me love you more each time, yeah baby Honey I'll never leave you lonely
Give my love to you only
To you only, to you only Honey you are my shining star
Don't you go away, no baby
Wanna be right here where you are
Till my dying day, yeah baby Feel so good when we're lying here
Next to each other lost in love, yeah baby
Baby when we touch, I love you so much
You're all I've ever dreamed of, yeah baby Honey I'll never leave you lonely
Give my love to you only
To you only, to you only Honey you are my shining star
Don't you go away girl, no baby
Wanna be right here where you are
Till my dying day Honey you are my shining star
You are my shining star
Don't you go away, ooh baby
Honey you are my shining star
Don't you go away, ooh baby Honey, right here where you are
Till my dying day, ah yeah
Honey you are my shining star
My shining star Honey you, you are my star
Don't you go away, yeah baby
Honey you are my shining star
Don't you go away, ooh baby
Honey you, you you you
