Bad Moon Rising (Live 1997)

[John Fogerty](#)

I see a bad moon a-rising
I see trouble on the way
I see earth quakes and lightnin'
I see bad times todayWell, don't go 'round tonight
But it's bound to take your life
There's a bad moon on the riseI hear hurricanes a-blowing
I know the end is coming soon
I fear the river's over flowing
I hear the voice of rage and ruin
Well, don't go 'round tonight
But it's bound to take your life
There's a bad moon on the riseHope you got your things together
I hope you are quite prepared to die
Look's like we're in for nasty weather
One eye is taken for an eye
Well, don't go 'round tonight
But it's bound to take your life
There's a bad moon on the riseWell, don't go 'round tonight
But it's bound to take your life
There's a bad moon on the rise
