

Hangman (feat. Mark Hoppus)

Motion City Soundtrack

Fed up with "I made you look"
And Dirty Crooks without a clue
You're here to save face
And I say hangman, I'm on to you Hangman, it's not your fault
Commit this to memory
The bright ideas are wasted and lost along the way Last call for medicine
To count me in and turn me loose
I never meant to hurt anything
But I never cared too [Chorus] COMMIT THIS TO MEMORY
(commit this to memory)
COMMIT THIS TO MEMORY
(commit this to memory)
COMMIT THIS TO MEMORY
(commit this to memory)
COMMIT THIS TO MEMORY I'm just a guy that never tried
I'm just a stupid fuck with brilliant luck
And sometimes a bright idea
So shower me in a chorus of compliments
And verse I don't deserve
I might run but I'll never hide Hey, that's not right
You can't complain
"everything's gonna be just fine"
Said the bird to the powerline
If memory serves, they're my flowers
This game's called "catch me if you can"
As if we haven't already been through enough Fed up with "made you look"
And dirty crooks without a clue
You're here to save face
And I say Hangman I'm on to you
