

# Skeletons

## Yeah Yeah Yeahs

Love, my name  
Love, left dry  
Frost or flame  
Skeleton me Fall asleep  
Spin the sky  
Skeleton me  
Wait, don't cry Love, don't cry  
Love, don't cry  
Skeleton me  
Skeleton me Soon comes rain  
Dry your eyes  
Frost or flame  
Skeleton me Fall asleep  
Spin the sky  
Skeleton me  
Love, don't cry Love, don't cry  
Love, don't cry  
Skeleton me  
Skeleton me Skeleton me
