

# Judith

## Third World Love

Comes and goes  
And goes, she comes  
No man will ever  
Make her moan  
Break her bones  
Hey Judith  
Judith  
Hey, hey  
On the weight of a storm  
She comes and goes  
Oh Judith  
Yeah, Judith  
Oh Judith  
Judith  
Judith  
Oh Judith  
Oh Judith  
No man will ever  
  
Break her bones  
Break her bones  
With fire in her halo  
She comes and goes, yeah  
Judith  
Judith  
Judith  
Judith  
Judith  
Judith  
Judith  
There she goes  
Judith  
Hey, yeah...  
Judith...
