Inside Out

The Traveling Wilburys

Look out your window
That grass ain't green
It's kinda yellow
See what I mean?Look up your chimney
The sky ain't blue
It's kinda yellow
You know it's trueIt's so hard to figure what it's all aboutWhen your outside's in
(Inside out)
And your downside's up
(Upside down)Yeah, your upside's right
(Right side up)
Yeah, don't it make you wanna twist and shout
When you're inside outLook down your drain pipe
What color do you see?
It's got to be yellow
Don't try to fool meAnd don't it make you wanna twist and shoutWhen your outside's in
(Inside out)
And your downside's up
(Upside down)Yeah, your upside's right
(Right side up)
Yeah, don't it make you wanna twist and shout
When you're inside outBe careful where you're walking
You might step in something rough
Be careful when you're talking
And saying all that stuffTake care when you are breathing
Some thing's funny in the air
And somethings, I'm not saying
'Bout what's happening out there
It's inside outLook into the future
With your mystic crystal ball
See if it ain't yellow
See if it's there at allAin't no shadow of doubt
Don't it make you wanna twist and shoutWhen your outside's in
(Inside out)
And your downside's up
(Upside down)Yeah, your upside's right
(Right side up)
Yeah, don't it make you wanna twist and shout
When you're inside outInside out

Right side up
Yeah, don't it make you wanna twist and shout
When you're inside out
Inside out, inside out
