

# Inside Out

## The Traveling Wilburys

Look out your window  
That grass ain't green  
It's kinda yellow  
See what I mean? Look up your chimney  
The sky ain't blue  
It's kinda yellow  
You know it's true It's so hard to figure what it's all about When your outside's in  
(Inside out)  
And your downside's up  
(Upside down) Yeah, your upside's right  
(Right side up)  
Yeah, don't it make you wanna twist and shout  
When you're inside out Look down your drain pipe  
What color do you see?  
It's got to be yellow  
Don't try to fool me And don't it make you wanna twist and shout When your outside's in  
(Inside out)  
And your downside's up  
(Upside down) Yeah, your upside's right  
(Right side up)  
Yeah, don't it make you wanna twist and shout  
When you're inside out Be careful where you're walking  
You might step in something rough  
Be careful when you're talking  
And saying all that stuff Take care when you are breathing  
Some thing's funny in the air  
And somethings, I'm not saying  
'Bout what's happening out there  
It's inside out Look into the future  
With your mystic crystal ball  
See if it ain't yellow  
See if it's there at all Ain't no shadow of doubt  
Don't it make you wanna twist and shout When your outside's in  
(Inside out)  
And your downside's up  
(Upside down) Yeah, your upside's right  
(Right side up)  
Yeah, don't it make you wanna twist and shout  
When you're inside out Inside out

Right side up  
Yeah, don't it make you wanna twist and shout  
When you're inside out  
Inside out, inside out
