

Boogie Woman

Reidar Larsen

Iâ€™ve got a boogie woman, she boogies all the time
But boogie killed her mama, and it drove her daddy blind
But thatâ€™s her own business, (Thatâ€™s her own business),
yeah thatâ€™s her own business, (Thatâ€™s her own business)
Thatâ€™s her own business, no mather what sheâ€™d do

Sheâ€™s a boogie woman, a boogieâ€™s all sheâ€™ll crave
I believe a boogie-woogieâ€™s gonna take her to the grave
But thatâ€™s her own business, (Thatâ€™s her own business),
yeah thatâ€™s her own business, (Thatâ€™s her own business)
Thatâ€™s my womanâ€™s own business, no mather what sheâ€™d do

Sheâ€™s boogieâ€™n in the morning, sheâ€™s boogieâ€™n late at night
Will she miss it to the day she wonâ€™t think sheâ€™s treated it right
But thatâ€™s her own business, (Thatâ€™s her own business),
yeah thatâ€™s her own business, (Thatâ€™s her own business)
Well thatâ€™s her own business, no mather what sheâ€™d do

GITARSOLO (og boogie-piano i skjÃ¸nn forening)

Yeah sheâ€™s boogieâ€™n in the morning, sheâ€™s boogieâ€™n late at night
Will she miss it to the day she wonâ€™t think sheâ€™s treated it right
But thatâ€™s her own business, (Thatâ€™s her own business),
yeah thatâ€™s her own business, (Thatâ€™s her own business)
Well thatâ€™s her own business, no mather what sheâ€™d do

PIANOSOLO

Women talk about her, they call her Adelaid
And the men are crazy bout her and sheâ€™s smokin just the same
Well thatâ€™s her own business, (Thatâ€™s her own business),
Thatâ€™s my womanâ€™s own business, (Thatâ€™s her own business)
Thatâ€™s her own business, no mather what sheâ€™d do
AVSLUTT MED : Thatâ€™s her own business, no mather what sheâ€™d do
