## It's My Life

## **No Doubt**

It's funny how I find myself In love with you If I could buy my reasoning I'd pay to lose, one half won't doI've asked myself How much do you Commit yourself?Oh, it's my life Don't you forget Oh, it's my life It never endsFunny how I blind myself I never knew If I was sometimes played upon Afraid to loseOh, I'd tell myself What good do you do? Convince myselfOh, it's my life Don't you forget Oh, it's my life It never ends And I've asked myself How much do you Commit yourself? It's my life Don't you forget Caught in the crowd It never endsAnd it's my life Don't you forget Caught in the crowd It never endsOh, it's my life Don't you forget Caught in the crowd It never ends
