

# There goes my everything

[Engelbert Humperdinck](#)

There goes my only possession  
There goes my everything I hear footsteps slowly walking  
As they gently walk across a lonely floor  
And a voice is softly softly saying  
Darling, this could be good-bye for ever more There goes my reason for living  
There goes the one of my dreams  
There goes my only possession  
There goes my everything As my memory turns back the pages  
I can see the happy years we had before  
Now the love that kept this old heart beating  
Has been shattered by the closing of the door There goes my reason for living  
There goes the one of my dreams  
There goes my only possession  
There goes my everything There goes my only possession  
There goes my everything
