Lyrics to Like Me :

Yes [x8]Nobody nobody

Like me like me

Cant do it cant do it

Like me like me

Nobody nobody

Like me like me

Cant do it cant do it

Like meI was first in this game

On that real freak shit aint nothing changed

Now I'm back now I'm back

For my crown for my crown

And you can hate but I'ma shut it down

Where them boys at don't know how to act

All the tight fellas with the lean in the 'lac

Where dem girls at who got it like that

Who can buy the bar and split the whole slackCause aint nobody done it quite quite like me

Cant nobody rather be so nicely

Looking for a freak all night that's me

That's me that's me that's me that's me

Cause aint nobody done it quite quite like me

Aint nobody rather be so sexy

Looking for a freak all night that's me

That's me that's me that's me that's meWhat it do what it do

How you been how you been

Got my hip whip so are my friends

Been a man, been a man yea its true

Matter fact better ca clear the room

Where them boys at don't know how to act

All the tight fellas with the lean in the 'lac

Where dem girls at who got it like that

Who can buy the bar and split the whole slackCause aint nobody done it quite quite like me

Cant nobody rather be so nicely

Looking for a freak all night that's me

That's me that's me that's me that's me

Cause aint nobody done it quite quite like me

Aint nobody rather be so sexy

Looking for a freak all night that's me
