

Fame-Us (feat. Blake Miller)

The Knux

Want to pleasure the flesh
Steeling your essence in the night
And darken the presence of the light
I don't want to be famous
Your face is a broken mirror
Of your past reflection
And we have none for second-guessing
Can you run through all that cash?
Your whole life beats off that guilty
But how long can that last
Worth chasing a dream
In the land of the lost
Weather we get devoured
We have to be number one
Swearing by the forty eight laws of
I don't want to be famous
I don't want to be famous
