

# The Ex

## Billy Talent

Well, I looked at her face  
And then I knew she changed  
My heart turned black  
And then the sky turned gray  
Yeah, my heart turned black  
And then the sky turned gray And so I sat in my room  
For twenty seven days  
No she never called  
I had something to say  
No she never called  
I had something to say Well, I don't know much and I don't know how  
Why would she put me through such torture  
I would have given my life for her  
She was the one that knocked me over  
Now I'm alone sitting on the corner Well, I heard she's great  
And her new boyfriend's lame  
Well, she can go to hell  
I'll never be the same  
Well, and she can go to hell  
I'll never be the same And these open wounds  
Will heal with time they say  
Yeah, my heart turned black  
And then the sky turned gray  
Yeah, my heart turned black  
And then the sky turned gray Well, I don't know much and I don't know how  
Why would she put me through such torture  
I would have given my life for her  
She was the one that knocked me over  
Now I'm alone sitting on the corner Why would she put me through such torture  
I would have given my life for her  
She was the one that knocked me over  
Now I'm alone sitting on the corner Well, I don't know much and I don't know how  
Why would she put me through such torture  
I would have given my life for her  
She was the one that knocked me over  
Now I'm alone sitting on the corner Why would she put me through such torture  
I would have given my life for her  
She was the one that knocked me over  
Now I'm alone sitting on the corner
