

Crown of Thorns

Sinner

Does it really matter when it feels so good
I don't really want to walk away
But I don't want to walk through the fire again
And if it hurts I call it a day I'm gonna give all if you catch my fall
In time and space, nothing at all I throw away my crown of thorns
If you call my name I'll be there
I throw away my crown of thorns If I hear your voice, I couldn't regret
There's something different about you
Now and forever, you always will be there
But I can't let you go forever
