

# I'm Through with Love

## Chet Baker

I'm thru with love,  
I'll never fall again.  
Said I do to love,  
Don't ever call again.  
For I must have you  
Or no one.

That's why I'm thru with love. I've locked my heart.

I keep my feelings there.

I have stopped my heart

Like an icy frigidaire.

For I need to care for no one.

That's why I'm thru with love. Why did you leave me

To think that you cared.

You didn't need me.

You have your share

of slaves around you

To hound you and swear

Their deep devotion.

Emotion. Did you good by the spring

And all it meant to me

a good neighbor

The things that used to be.

For I must have you or no one.

That's why I'm thru with love.

That's why I'm thru with love.
