

# Bite My Tongue

Chris Brown

[Verse 1]

It's getting hard to bite my tongue  
Making me feel so dumb  
Can't explain it, feel so numb  
So let me think about it, um, 'bout it, 'bout it[Pre-Hook]  
Oh, oh, I'm thinking how to say  
Oh, oh, a million different ways  
Oh, oh, I'm thinking how to say  
Let's get up out this place[Hook]  
I promise I won't bite my tongue  
Oh woah  
I promise I won't bite my tongue  
Oh woah

[Verse 2]

Girl I'm gonna kiss and run  
I shoot it off like a gun  
Bang, bang, I'mma kill for you, I live for the thrill of you  
And I'mma not tryna do you wrong[Pre-Hook]  
Oh, oh, I'm thinking how to say  
Oh, oh, a million different ways  
Oh, oh, I'm thinking how to say  
Let's get up out this place[Hook]  
We can take it London to LA  
I promise I won't bite my tongue  
Oh woah, oh woah  
Oh woah, oh woah

[Bridge]

Ooh, ooh

Girl I'll kill for you  
I live for the thrill of you  
I'm not tryna do you wrong[Hook]  
Baby I promise not to bite my tongue  
Bite my tongue  
I'm not tryna do you wrong
