Hoops with Fidel

Neon Neon

Hoops with Fidel, we keep bouncing ideas
And holding back tears of joy!
Endless long dinners and glimmers of genius
And endless dictation to tape!Communism on a beach
It's so peachy
I could take it home
And serve it up for my sweet
With creamCommunism on a beach
If we could just bottle it
And send it 'round the world
And everyone could revolutionize in
Peace by piece
Congo and Bolivia
Vietnam, Angola
Let's all drink from the same bottle
Of rum and smokeLet's bounce that beach ball 'round the place
Let's bounce up a better human race
Now the whole world is a great big
Bouncing ball of joyHoops with Fidel, they get faster and faster
And spell out disaster for meHoops with Ernesto
He runs hoops around me
And drags me to fund his demiseCommunism on the beach
You can just feel the heat
That's coming down on me
From every side and point of view right now
Communism on the beach
If we could just bottle it
And send it 'round the world
And everyone could revolutionize in
Peace by pieceCongo and Bolivia
Vietnam, Angola
Let's all drink from the same bottle
Of rum and smokeLet's bounce that beach ball 'round the place
Let's bounce up a better human race
Now the whole world is a great big
Bouncing ball of opportunity
