

# Singin' In the Rain

## Eydie Gorme

I'm singin' in the rain,  
Just singin' in the rain,  
What a glorious feeling,  
    I'm happy again!  
    I'm laughing at clouds  
    So dark up above,  
The sun's in my heart and I'm ready for love!

    Let the stormy clouds chase  
    Everyone from the place,  
    Come on with your rain,  
    I've got a smile on my face!

    I'll walk down the lane  
    With a happy refrain,  
Just singin', singin' in the rain!Why am I smiling and why do I sing?  
    Why does December seem sunny as Spring?  
    Why do I get up each morning to start  
    Happy and head-up with joy in my heart?  
    Why is each new task a trifle to do?  
Because I am living a life full of you!Hey, I'm singin' in the rain,  
    Just singin' in the rain,  
    What a glorious feeling,  
    I'm happy again!  
    I'm laughing at clouds  
    So dark up above,  
The sun's in my heart and I'm ready for love!

    Let the stormy clouds chase  
    Everyone from the place,  
    Come on with your rain,  
    I've got a smile on my face!

    I'll walk down the lane  
    With a happy refrain,  
Just singin', singin' in the rain!
