

# Canned Heat

## Feral Beat

You know this boogie is for real  
I used to put my faith in worship  
But then my chance to get to heaven slipped  
I used to worry about the future  
But then I threw my caution to the wind  
I had no reason to be care free, no, no, no  
Until I took a trip to the other side of town, yeah, yeah, yeah  
You know I heard that boogie rhythm, hey  
I had no choice but to get down, down, down, down  
Dance, nothing left for me to do but dance  
Off these bad times I'm going through just dance  
Got canned heat in my heels tonight, baby  
I feel the thunder, see the lightning  
I know this anger's heaven sent  
So I've got to hang out all my hang-ups  
Because of the boogie I feel so hell bent, hey, hey  
It's just an instant gut reaction, that I got  
I know I never ever felt like this before  
I don't know what to do but then that's nothing new  
Stuck between hell and high water I need a cure to make it through  
Hey dancing nothing left for me to do but dance  
Off these bad times I'm going through just dance  
Hey, got canned heat in my heels tonight, baby  
You know, know, know I'm gonna dance, yeah  
Off the nasty things that people say  
Dance yeah, but I'm gonna make it anyway  
Dance yeah, got canned heat up my heels tonight baby  
You know I've got canned heat up my heels  
You know this boogie is for real  
Only the wind can blow the answer  
And she cries to me when I'm asleep  
She says you know that you can go much faster  
I know that peoples' talk can be so cheap, hey  
I got this voodoo child in veined on me  
I'm gonna use my power to ascend  
You know I got these running heels to use  
Sometimes there's no way I lose, I was born to run and built to last  
You've never seen my feet 'cause they move so fast  
Dance yeah, hey nothing left for me to do but dance

Off these bad times I'm going through just dance, hey  
Got canned heat in my heels tonight, baby  
Hey, I've got to dance, yeah  
Off the nasty things that people say  
Dance yeah, but I'm gonna make it anyway  
Dance yeah, got canned heat up my heels tonight, baby  
You know this boogie is for real  
Got so much canned heat in my heels, yeah  
Gonna dance, gonna dance my blues away tonight  
You know I'm gonna dance my blues away  
You know this boogie is for real  
Got so much canned heat in my heels, yeah  
Gonna dance, gonna dance my blues away tonight  
Dance, come on got canned heat in my heels tonight  
Dance, canned heat in my heels tonight  
Dance, canned heat in my heels tonight, baby  
Hey, got so much  
Dance, hey, DJ let the music play  
(Let the music play)  
I'm gonna let this party live  
(I wanna let this party live)  
Hey, DJ throw my cares away  
(Let the music play)  
I'm gonna let this party live  
(I wanna let this party live)  
Hey, DJ let the music play  
(I'm gonna let this party live)  
I'm gonna let this party live  
(I'm gonna let this party live)  
Hey, DJ throw my cares away  
(Party live, I'm gonna let this party live, hey)  
I'm gonna let this party live  
Canned heat in my heels tonight  
Dance, you know this boogie is for real  
Dance, got so much canned heat in my heels  
Dance, gonna dance, gonna dance my blues away tonight  
Dance, you know, you know this boogie this boogie is for real  
Dance, got so much canned heat, canned heat in my heels  
Dance, you know I'm gonna dance my blues away tonight  
Dance, you know I'm gonna dance my blues away tonight
