

93 Million Miles

30 Seconds to Mars

Where does your garden grow?
Tell me the secrets that you know
Another time, another place (place)
Where are the holy ones? Selling the secret to the Sun
Welcome to the Universe Cross the line, redefine
Lose your mind, come crawl inside Hey, hey, what do you got?
Doesn't matter to me 'cause I don't want it
I'm not the only one The unified divide
Among and then deny
Now could you kindly cut to the chase?
It's like some other song
Pretty, but something's always wrong
Show me the secret ancient sign Selling the secret to the Sun
Welcome to the Universe Hey, hey, what do you got?
Doesn't matter to me 'cause I don't want it
I'm not the only one Hey, hey, what do you got?
Doesn't matter to me 'cause I don't want it
I'm not the only one See, it's in your eyes
Come break me down
Come break me Hey, hey, what do you got?
Doesn't matter to me 'cause I don't want it
I'm not the only one Hey, hey, what do you got?
Doesn't matter to me 'cause I don't want it
I'm not the only one Hey, what do you got?
