# Free Cocaine

## Dwarves

Gimme the things that drive me insane
Teenage women and free cocaine
I want some free cocaine
From my man who went to high school
Abel said to Cain
Momma was a groupie out on Donovan's brain for
Free cocaine, free cocaine
Pussy, carbohydrates, sometimes acid rain
I just want a sniff of your free cocaine
You know the best things in life are free
And if they're free why don't you give it to me
Free cocaine, free cocaine
I want the 31 flavors, 69 years
I'll take 13 vials worth, I don't care...
