Loving Arm (Soul Clap's Shake a Leg Mix)

Metronomy

Her baby's got the loving arm
I never get too close
I like to get results
Her baby's got the loving arm
I never get too close
I'm flying down the coast
To loveTo loveHer baby's got the loving arm
I never get too close
I like to get results
Her baby's got the loving arm
I never get too close
I'm gunning down the coast
To loveTo love
To love
To loveHer baby's got the
Her baby's got the
Her baby's got the
Her baby's got theHer baby's got the
Her baby's got the
Her baby's got the
