

Saving Us

Serj Tankian

Why do we sit around
And break each other's hearts tonight?
Why do we dance around the issues
'Til the morning light?When we sit and talk
And tear each other's lives apart
You were the one to tell me goBut you were the one for me
And now you're going through the door
When you take that step
I love you, baby more and moreWe need to laugh and sing
And then cry and warm each other's hearts tonight
'Cause having fun of everything
And loving all our mother godTearing us, you're tearing us
You're breaking us, you're breaking us
You're carrying us, carrying us
You're saving us, you're saving usYou're tearing us, you're tearing us
You're breaking us, breaking us
You're killing us, killing us
You're saving usWhy do we sit around
And break each other's hearts tonight?
Why do we dance around the issues
'Til the morning light?When we sit and talk
And tear each other's lives apart
You were the one to tell me goBut you were the one for me
And now you're going through the door
When you take that step
I love you, baby more and moreWe need to laugh and sing
And then cry and warm each other's hearts tonight
'Cause having fun of everything
And loving all our mother godYou're tearing us, you're tearing us
You're breaking us, you're breaking us
You're killing us, killing us
You're saving us, you're saving usYou're tearing us, you're tearing us
You're breaking us, you're breaking us
You're killing us, killing us
You're saving usForever I lie

And never again You're tearing us, you're tearing us
You're breaking us, you're breaking us
You're killing us, killing us
You're saving us, you're saving us You're tearing us, you're tearing us
You're breaking us, you're breaking us
You're killing us, killing us
You're saving us, you're saving us You're tearing us, you're tearing us
(Forever I lie)
You're breaking us, you're breaking us
(Forever I lie)
You're killing us, killing us
(Forever)
You're saving us, you're saving us
(And never) You're tearing us, you're tearing us
(Forever I lie)
You're breaking us, you're breaking us
(Forever I lie)
You're killing us, killing us
