

I Miss You So

Diana Krall

Those happy hours I spent with you
That lovely afterglow
Most of all, I miss you so Your sweet caresses, each rendezvous
You voice so soft and low
Most of all, I miss you so You once filled my heart with
No regrets, no fears
Now you'll find my heart
Filled to the top with tears I'll always love you and ant you, too
How much you'll never know
Most of all, I miss you so
