

# Feets (feat. Rocko)

## Gucci Mane

A nigga there front me 10 keys  
I'mma run up on a nigga on feet  
Gotta get back on my feet  
Choppa knock a nigga off of his feet  
Jump a nigga stunt, cuz that's where my feet  
Red bottoms on the bottom of my cleats  
The only nigga in a Phantom on feets  
Touch me and you'll be 6 feet deep()  
Bullshit ass clubbing, yella crook in this bitch  
Check a deuce to a 4, I put my foot in this shit  
They say that Gucci Mane be flexin unbelievable price  
And I know that life is priceless but I pay for yo life  
I think I'm Dirty Harry nigga when I got that full fire  
And I can never respect a man that can't look me in my eye  
Just as stupid as these rappers if you bullied alive  
You brought your knife to a gunfight, yo ass wanna die  
I'm not a rapper, I'm a trapper and a rapper disguised  
I put the feets on yo, leave a Reebok print on yo eye  
I put the feets on the plug cuz these prices too high  
I'm showin my feet, Louie flip flops, I'm way in Dubai (it's Gucci)

Apply pressure, got that neck, I got my foot on it  
V12 car, got my foot on it  
Gucci cleats on my feet (on yo feet?)  
Guc and me, we run the streets (we run the streets)  
Walkin like I talk it, clear high goals  
Ain't a funny bone on me homie, bitch you can X-ray my toes  
Good in every hood, we run the town  
Thousand niggas throwin up B's, seein toes down  
I ain't jump off the porch, I lived in the streets  
Real street cats always land on they feet

Born a standup guy, that's all I ever knew  
You could tell a rich nigga just look at his shoes
