

Heartkiller

Kat Graham

Verse 1:

18 wheeler, stone cold killer
Hit it and quit her, baby.
No heart stealer, sex dealer
Don't pull the trigger, Bang (bang)
No you're never gonna take me out
Never ever gonna take me out
Should have known better, if you go get her
You'll end up in flames (flames)

Hook:

Uh-oh there you go, gun in your holster ready to blow
Uh-oh there you go, hunting me down like an animal
Uh-oh there you go (x3)
There you go (x2)

Chorus:

I don't wanna be ya, see ya, hear ya
You're a heartkiller
I don't wanna feel ya, can't be near ya
You're a heartkiller
A murderer, serial lover
I don't wanna be ya, see ya, hear ya
You're a heartkiller (killer, killer) (x3)

Verse 2:

Big fat liar, pants on fire
To you it ain't nothing but a game (game)
Preaching to the choir, bullets keep flying
Bet you look good in red (red)
No you're never gonna take me out
Never ever gonna take me out
Should have known better, if you go get her
You'll end up in flames (flames)

Hook:

Uh-oh there you go, gun in your holster ready to blow
Uh-oh there you go, hunting me down like an animal
Uh-oh there you go (x3)
There you go (x2)

Chorus:

I don't wanna be ya, see ya, hear ya
You're a heartkiller

I don't wanna feel ya, can't be near ya
You're a heartkiller
A murderer, serial lover
I don't wanna be ya, see ya, hear ya
You're a heartkiller (killer, killer) (x3)

Bridge:

Caution tape the door
Chalk lines on the floor
If I let you in (in), no
I'll never become
Victim to your touch
Damaged by your love
Love, love.

Chorus:

I don't wanna be ya, see ya, hear ya
You're a heartkiller
I don't wanna feel ya, can't be near ya
You're a heartkiller
A murderer, serial lover
I don't wanna be ya, see ya, hear ya
You're a heartkiller (killer, killer) (x3)
