

The Great Darkness

Arch Enemy

A greater darkness, my mind's possessed
Disillusioned, numb emptiness
No hope, I feel a paralyzing fear
No salvation faking control
Their coldness hurt me beyond belief Dominus beo spiritus
Will I burn, will I be free?
The great darkness consumed my soul
Diabolus libero spiritus Blind my eyes, I hate the light
Despair, frustration, regret
Fighting, fighting for what?
Lies, your lies, I feel dead inside
My pain is all I leave behind Dominus beo spiritus
Will I burn, will I be free?
The great darkness consumed my soul
Diabolus libero spiritus A shadow the only light I followed
Transparent I am like, like a ghost A far cry from whom I wanted to be
I never found my place, my place nor peace Dominus beo spiritus
Will I burn, will I be free?
The great darkness consumed my soul
Diabolus libero spiritus
