

I Can't Help It

Grover Washington, Jr

Advisory - the following lyrics contain explicit language:

Life

You know I can't help this shit man

It's in me

But if I could

You know I would, Rich Homie Baby! I can't help it who I am, I can't help it who I know

I can't help the fact these bitches trying to fuck me every show

I can't help 'cause I'm getting money and my dream has just begun

I can't help the fact I'd rather put this kush inside my lungs

(I can't help it) I can't help it who I am!

(I swear that I can't help it) can't help it who I am!

(I swear that I can't help it) can't help it who I am!

(I can't help it who I am and I hate the fact I'm famous) Ok now I'm finally famous told my mama no more
stressing

My closet on thanks giving kill em' with the dressing

Even If I add extra, boy you watch your mind frame

I can't make her bed rock, Straight head shots

And I ain't talking about no mind games (they right too)

I know his Ray Bans fake because they ain't how mine came (Them ain't real nigga!)

I got my Nikes tied, Money what I taste

And I'm blazed so Michael Phelps me!

I'm so great can't help it

It's so fucked up I need counseling! (I swear I do)

And who gone vouch for me? O.G.'s and the real niggas! (I swear they do)

I know drug dealers who really kill niggas!

My death date coming and I ain't scared to go (Let go)

Bitches calling my name like everywhere I go! I can't help it who I am, I can't help it who I know

I can't help the fact these bitches trying to fuck me every show

I can't help 'cause I'm getting money and my dream has just begun

I can't help the fact I'd rather put this Kush inside my lungs

(I can't help it) I can't help it who I am!

(I swear that I can't help it) can't help it who I am!

(I swear that I can't help it) can't help it who I am!

(I can't help it who I am and I hate the fact I'm famous)Yeah,Â I'm getting money, I'm super paid
No Ray Bans (naw), These super shades
Gold frames, Fish Bowl
I switch it out, even your bitch know!
I'm rich homie like Quan
I can't help this shit I'm on
(I can't help it)
I'm flexing!
(I can't help it)
These Diamonds in my necklace!
Yeah!
I came up
These lame fucks
They mad at me,
'Cause I'm famous
I move packs
Ain't gotta prove that (naw)
Just ask about me,
Bitch I do that! I can't help it who I am, I can't help it who I know
I can't help the fact these bitches trying to fuck me every show
I can't help 'cause I'm getting money and my dream has just begun
I can't help the fact I'd rather put this Kush inside my lungs
(I can't help it) I can't help it who I am!
(I swear that I can't help it) can't help it who I am!
(I swear that I can't help it) can't help it who I am!
(I can't help it who I am and I hate the fact I'm famous)
