

All Right Now

Bad Company

Whoa-oh-oh-woah-ahh There she stood in the street
smilin' from her head to her feet; I said, "Hey, what is this?"
Now baby, maybe,
maybe she's in need of a kiss. "I said, "Hey, what's your name?"
Maybe we can see things the same. "Now don't you wait, or hesitate
Let's move before they raise the parking rate. "Ohh
All right now, baby, it's a-all right now.
All right now, baby, it's a-all right now. (Let me tell you now)
I took her home to my place,
Watchin' every move on her face; She said, "Look, what's your game, baby?"
Are you tryna' put me to shame?" I said "Slow, don't go so fast, don't you think that love can last?" She said,
"Love, Lord above,
now you're tryna' trick me in love." All right now, baby, it's a-all right now.
All right now, baby, it's a-all right now. Whoo, oh yeah
All right now, baby, it's a-all right now, yeah
All right now, baby, it's a-all right now
All right now, baby, it's a-a-all right now
All right n-now, baby baby baby it's all right
All right now, it's all right, it's all right, it's all right
All right now, baby, it's a-all right now
Yeah, we're so happy together
It's all right, it's all right it's all right
Everything's all right
