

**L.F.O.**

**Grandaddy**

Lasting hopes for love will try again  
Goodbye creatures, goodbye human friends  
Orchestras on warships in the wind  
If we don't reunite this time...Will try again  
Will try again  
Will try again  
Will try againLasting hopes for love will try again  
Catalogue the awkward specimen  
Stay and wave goodbyes as long as you can  
If we don't reunite in time...Will try again  
Will try again
