

# U.S. Blues

## Octopus

Red and white, blue suede shoes  
I'm Uncle Sam, how do you do?  
Gimme five, I'm still alive  
Ain't no luck, I learned to duckCheck my pulse, it don't change  
Stay seventy-two come shine or rain  
Wave the flag, pop the bag  
Rock the boat, skin the goatWave that flag, wave it wide and high  
Summertime done, come and gone, my, oh, myI'm Uncle Sam, that's who I am  
Been hidin' out in a rock and roll band  
Shake the hand that shook the hand  
Of P.T. Barnum and Charlie ChanShine your shoes, light your fuse  
Can you use them ol' U.S. Blues?  
I'll drink your health, share your wealth  
Run your life, steal your wifeWave that flag, wave it wide and high  
Summertime done, come and gone, my, oh, myBack to back, chicken shack  
Son of a gun, better change your act  
We're all confused, what's to lose?  
You can call this song the United States BluesWave that flag, wave it wide and high  
Summertime done, come and gone, my, oh, myMy, my my my, my, oh, my my  
Summertime done, come and gone, my, oh, my
