# One Night Stand

## Hinder

All night, all mine
Makin memories I might remember
So sweet and so shy
Cause tonight you know
It's not forever
Bridge:
Be my biggest fan
Scream as loud as you can
Cause you know it's just a one night stand
Chorus:
And I said
Don't leave your number, no I'm not callin
Sex's not love and no I'm not fallin
For you
So sexy girl stop stallin
She stripped her skirt and screamed out
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
She stripped her skirt and screamed out loud
Still high, from the ride
Stumble from my room with sex hair
She shook me all night
I guess I should've got her number
Bridge:
Be my biggest fan
Scream as loud as you can
Cause you know it's just a one night stand
Chorus:
And I said
Don't leave your number, no I'm not callin
Sex's not love and no I'm not fallin

For you
So sexy girl stop stallin
She stripped her skirt and screamed out
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh

She stripped her skirt and screamed out loud
Be my biggest fan
Scream as loud as you
Cause you know it's just a one night stand
And I said
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
1-2-3
And I said
Don't leave your number, no I'm not callin
Sex's not love and no I'm not fallin
For you
So sexy girl stop stallin
She stripped her skirt and screamed out
Don't leave your number no I'm not callin
Sex's not love and no I'm not fallin
For you
So sexy girl stop stallin
She stripped her skirt and screamed out
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
She stripped her skirt and screamed out loud
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
Whoa oa oa oa oh oh
She stripped her skirt and screamed out loud
