

Blood, Sex, and Booze

Green Day

Waiting in a room, all dressed up and bound and gagged up
To a chair, it's so unfair, well I don't dare to move
For the pain she puts me through
Is what I need so make it bleed I'm in distress, oh mistress I confess so do it one more time
These handcuffs are too tight, well you know I will obey
So please don't make me beg
For blood, sex and booze you give me Say I'm disturbed it's what I deserve
Another lesson to be learned
From a girl called Kill My head is in the gutter
Thank you sir, strike up another mandolin of discipline
Throw me to the dogs, let them eat my flesh down
To the wood, it feels so good Well I'm in distress, oh mistress I confess so do it one more time
These handcuffs are too tight well you know I will obey
So please don't make me beg
For blood, sex and booze you give me Say I'm disturbed its what I deserve
Another lesson to be learned
From a girl called Kill I'm in distress oh mistress I confess so do it one more time
These handcuffs are too tight well you know I will obey
So please don't make me beg
For blood, sex, and booze you give me
I'll show you a real time
