

# Let Me Come on Home

## Otis Redding

Oh baby, yeah baby  
I wanna come home to you  
Baby, yeah girl, Lord  
I said I gotta get home to you  
Days and nights  
I'm feeling so blue, baby  
Oh Lord, I don't  
Don't know what I'm gonna do  
Oh baby, yeah baby, I said honey  
Oh gonna come home Ooh baby  
You're one thousand miles away  
Baby, yeah baby, said you're  
You're just one thousand miles away  
Yeah, take these chains  
From around my heart  
Never never never leave me  
No more you'll never be apart  
Baby, baby, baby, baby  
Please, please, oh  
Let Me Come On Home to you, all right  
yeah yeah Oh I love you  
Please Let Me Come On Home, girl  
Please, please, please, please  
Please, baby  
Please Let Me Come On Home to you, girl  
Cryin' my eyes out over you  
I don't know nothin' in the world  
That I'm gonna do  
But I'm gonna come on, come on  
Come on, girl  
Said I gotta get home, all right Yeah baby, baby girl  
I love you, honey  
Please let me come home  
Lord, Lord, Lord  
Got to, got to, got to  
Got to get home, baby  
Please let me, let me  
Let me, Let Me Come On Home
