

# Two Miles an Hour

## Ludacris

Yeah we gon' send this one out  
To everybody that put mo' into they cars  
Than they do they relationship  
Let's ride Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll Yes 7 cars, 8 cribs  
And ain't a damn thing changed  
I'm still pumpin' 10 kickers  
Still grippin' the grain Still candy in the paint  
Still ridin' them things  
And most my folks would say  
I'm happy but I still feel pain Until I jump in my ride  
That's my only escape  
Me and my automobile's got these neighbors screamin'  
"Gimme a break" It's a pity how we turn our city  
Into obstacle courses  
Don't be mad 'coz I can't hold my  
500 horses Lamborghinis and Porsches  
Ferraris and Vipers  
I'm a wipe the seats witcho drool  
Then rub the hood with a diaper Television on the gas tank  
The fuel make the ass stank  
I mean to be rude  
My bass tubes are in a glass tank Go strap your seatbelts on  
Go put your money up  
Go put your life on the line  
Go put your honey up Go spread the word  
Run and tell all the boys  
It's time to play or better yet  
It's time to bring out them toys we goin' Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you

It's get out put my pedal to the flo and let's roll  
 Assign your name in the streets  
 (Sign your name in the streets)  
 Assign your name in the streets  
 (Sign your name in the streets)  
 Assign your name in the streets  
 (Sign your name in the streets)  
 Assign your name in the streets  
 (Sign your name in the streets)  
 Yo one of my ways of releasin' tension  
 While I'm releasin' some steam  
 Even if I just put a fresh coat of wax on I'm makin' sure  
 The slippers is clean  
 The 26's is mean  
 Shut down the block nigga picture the fiends  
 My system supreme  
 You can feel the knock just picture the scene  
 The chickens just scream  
 Whole crew ballin' they sick of my team  
 We gettin' the cream  
 I'm through hollerin' I'm livin' my dream  
 I'm black with a scheme  
 Won't stop until that fat lady sings  
 And yeah it's actual and factual  
 What my faculty brings  
 A car show for whatever we slide  
 And wherever we glide  
 You keep your rules and regulations man  
 'Coz we don't abide  
 And we lookin' alive Mercedes Benz  
 6 or the 5  
 In a Beamer, Lexus or AC we don't know  
 How to act when we drive  
 And I fiend for the ride  
 I lay back and lean to the side  
 On lookers and turnin' heads  
 Is all that's seen through his eyes  
 I'm breezin' on by  
 And no doubt it's easy to fly  
 But it's even better when you slow down  
 Or ease to the side and go  
 Two miles an hour, so everybody sees you  
 Two miles an hour, so everybody sees you  
 Two miles an hour, so everybody sees you  
 It's get out put my pedal to the flo and let's roll  
 Two miles an hour, so everybody sees you  
 Two miles an hour, so everybody sees you  
 Two miles an hour, so everybody sees you  
 It's get out put my pedal to the flo and let's roll  
 I'm ridin' up in, GTO's, and fo-fo two's  
 Grand Prix's, S.S.'s 'coz we so so cool  
 Ridin' Regals or the 'llacs, we in Chevelles and Verts  
 Skylarks, motorcycles, A.T.V's with the works  
 Malibus and Camaros, T-Birds and Novas  
 Escalades, Navigators, Expeditions and Rovers  
 H2's and Denalis, pickup trucks with the beams  
 Crown Vics, Monte Carlos, even Cutlass Supremes are goin'  
 Two miles an hour, so everybody sees you  
 Two miles an hour, so everybody sees you

Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo' and let's rollTwo miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo' and let's rollAssign your name in the streets  
(Sign your name in the streets)  
Assign your name in the streets  
(Sign your name in the streets)  
Assign your name in the streets  
(Sign your name in the streets)  
Assign your name in the streets  
(Sign your name in the streets)
