Make War, Not Love

Capture the Crown

Three, Two, One
GO!
I can see no end, the legion is closing in
What separates me from you, is all but an open door
This is the only way out

Give up, give out, give in

Talk to my knees, Iâ€™ll never
Give up, give out, give in
This is the fight youâ€™ll never win
And I wonâ€™t let this go until you
Give up, give out, give in

Youâ€™ve gotta give them the truth

The world is vast, I bid you farewell
The world is vast, Iâ€™ll see you in hell

We are the evil, there is no purity

Give up, give out, give in

Talk to my knees, Iâ€™ll never
Give up, give out, give in
This is the fight youâ€™ll never win
And I wonâ€™t let this go until you
Give up, give out, give in

Youâ€™ve gotta give them the truth

I might be the light in the dark,
in the storm, a hole in the floor
I might be the knock at your door

THIS IS A WAR! THIS IS A WAR!

Give up, give out, give in
Talk to my knees, Iâ€™ll never
Give up, give out, give in

I wonâ€™t let this go until you
Give up, give out, give in

WAR! WAR! WAR! WAR!
WAR! WAR! WAR! WAR!

Give up, give out, give in

Talk to my knees, Iâ€™ll never
Give up, give out, give in
This is the fight youâ€™ll never win
And I wonâ€™t let this go until you
Give up, give out, give in

Youâ€™ve gotta give them the truth
