

# I'm Glad It Rained

## Jackson 5

It's raining, it's raining  
It's raining, it's raining Oh, I'm glad it rained  
I'm glad it rained  
In this house I stay  
Oh, I'm glad it rained  
Yes, I'm glad it rained  
I wish it rained everyday This morning, I woke up  
To just another day  
Nothing specially planned  
Since my girl's been gone  
I've had nothing to do  
She made my days through and through That's why I'm glad it's cloudy  
Starting to rain  
Now I can stay at home  
You see, I need this excuse  
And there's no need denying  
I want to be alone Oh, I'm glad it rained  
I'm glad it rained  
In this house I stay  
Oh, I'm glad it rained  
Yes, I'm glad it rained  
I wish it rained everyday It's raining, it's raining  
It's raining, it's raining Now when this rain subsides  
I guess, I'll have to go outside  
But I still have nothing to do  
'Cause this girl I lost  
She was my world and I recall  
She made me feel ten feet tall Oh, I'm glad it rained  
Yes, I'm glad it rained  
In this house I stay  
Oh, I'm glad it rained  
Yes, I'm glad it rained  
I wish it rained everyday Oh, I'm glad it rained  
Yes, I'm glad it rained  
In this house I stay  
Oh, I'm glad it rained  
Yes, I'm glad it rained  
I wish it rained everyday Falling, she's broken my heart  
Ooh, raindrops, raindrops, raindrops

Raindrops keep on falling  
Girl, she's gone  
Ooh, raindrops, raindrops, raindrops  
Raindrops keep on falling, yeah
