

Light of Heaven

[Fernando Ortega](#)

The sky is raining tears tonight, my brother
You know it's hard to sleep so far from home
The moon has covered up her eyes, my sister
I thought I'd find You here but I am all alone, all alone
Light of Heaven, Lord of mercy
Shine the goodness of Your love upon this day
Till we see You, till we know You
Till the sorrow and the darkness fade away, fade away
I searched the city streets today, my father
The tunnel and the train, the river and the rain
I walked beneath the harbor lights, my mother
And in the shadows there I call Your name, I call Your name
Light of Heaven, Lord of mercy
Shine the goodness of Your love upon this day
Till we see You, till we know You
Till the sorrow and the darkness fade away, fade away
Light of Heaven, Lord of mercy
Shine the goodness of Your love upon this day
Till we see You, till we know You
Till the sorrow and the darkness fade away
Light of Heaven, Lord of mercy
Shine the goodness of Your love upon this day
Till we see You, till we know You
Till the sorrow and the darkness fade away, fade away
Fade away
Fade away
