This some of that real gangsta motherfuckin' shit nigga

(Yeah)

Yeah, for all the real niggaz out there

(Yeah)

(What)

Like my motherfuckin' East Coast niggaz

(What)

My motherfuckin' Dirty South niggaz

(What)

And my motherfuckin' West Coast niggaz

(What)

Some, people run

(Yeah)

Burn that ma, put it up in the air

(C'mon)

'Cause these clowns wanna grill, I got the clique right there

Now you could get your ass drug around up in here

You know I know the promoter, the pound's in here

And these my parts, you outta town out here

Slow it down, pump the brakes, get found out there

I'm push that melon, what the fuck's that smellin'?

(Pussy)
Thugs not thugs no more, they tellin'
(Yeah)
You did that time, but you not that felon
Nigga kill the noise, your hammer not yellin'
You're infrared not beamin'
(Nope)
Y'all not eatin' while your neck not gleamin'
We don't give a fuck, flip for any ol' reason
Just for the fun have your bitch ass leakin'

If you, leave you crippled
(Hey)
Yeah, all I want is the money and y'all can keep them sloppy hoes
My calender's shows booked, I ain't got time yo
Gimme the cash, keep them beat up chicks
My bank bounce gotta stay thick
You know e'ry day I stay with, the latest guns
Keep those under our belts to blaze you up
E'ry day we play with, the latest trucks
Work that tip chronic on the porch well
Don't get rat-a-tat tatted up, it be a bad look
Be wettin' your pants when bullets hit, mad shook
Droppin' your gun and all that, you mad puss
34 shell cases fall in one push
You get beaten and battered up, y'all little chain snapped
We still takin' 'em, fuck it let the team have it
Be droppin' your drinks, trippin' on things scramblin'
It be chaos when guns ring at him

Okay
Some, people run
(Yeah)
But, gangstas don't
(Yeah)
Know my hammer stay cocked
(Yeah)
If, you, leave you crippled
(Hey)
Some, people run
(Yeah)
But, gangstas don't
(Yeah)
Know my hammer stay cocked
(Yeah)
If, you, leave you crippled
(Hey)
Aight it's 'bout to get real ugly in this motherfuckin' club
What, what

But the real gangsta niggaz and bitches on the dance flo'
