Untitled (How Could This Happen to Me?)

Simple Plan

I open my eyes
I try to see but I'm blinded by the white light
I can't remember how, I can't remember why
I'm lying here tonightAnd I can't stand the pain
And I can't make it go away

No, I can't stand the painHow could this happen to me? I've made my mistakes Got nowhere to run, the night goes on

As I'm fading away, I'm sick of this life

I just wanna scream, how could this happen to me? Everybody's screaming

I try to make a sound but no one hears me

I'm slipping off the edge, I'm hanging by a thread

I wanna start this over againSo I try to hold onto a time when nothing mattered

And I can't explain what happened

And I can't erase the things that I've done

No I can'tHow could this happen to me? I've made my mistakes

Got nowhere to run, the night goes on

As I'm fading away, I'm sick of this life

I just wanna scream, how could this happen to me?I've made my mistakes

Got nowhere to run, the night goes on

As I'm fading away, I'm sick of this life

I just wanna scream, how could this happen to me?

How could this happen to me?

How could this happen to me?
