

# Let the Wind Blow

## The Beach Boys

Let the wind blow  
Let the grass grow  
But don't let her go

Don't take her out of my life  
Don't take her out of my life

Let the moon glow  
(Let the moon glow)  
(On the fallen snow)  
On the fallen snow  
(Let the moon glow)  
(On the fallen snow)

But I just got to know  
(Let me please know oh oh oh)  
Know she'll be a part of my life  
Know she'll be a part of my life  
Forever

Let the bees make honey  
Let the poor find money  
Take away their sorrows  
Give them sunshine tomorrow

But don't take her out of my life  
Don't take her out of my life  
What would I do without her tell me now

Let the bird sing  
With the coming spring  
Let the church bells ring  
Let the rain fall  
Let the grass grow  
Let the moon glow  
On the fallen snow

But don't take her out of my life  
Please keep her a part of my life
